

"HAPPINESS PILLS"

What can you do?

Take one dose of our happiness pill.

Share this happiness with us every day in the form of photos and videos

We will spread this happiness forward by sharing it as a part of our stories on social media

Make your child's online photo album of memories.

Try the following apps:

Pic Collage

Photo Grid

Precious

Photo
Collage Maker

Create your child's email id and email him/her letters or memories on it regularly specially during this lock down period. You can gift him/her the id & password as a birthday gift when he/she grows up!

Let us cook stories!

Make your very own story and let those imaginations flow freely..

Make a memory jar.

Keep writing yours and put it in the jar. Encourage your child to do the same!

Bingo

Tick the items that you have tried with your little stars from our book Play on-the-go

Moon Sand	Curious Sticks	Slime
Goop	Edible Paint	Sequencing & Patterning
Rice Glue Paint	Cutting Box	Play Dough

What are you grateful for?

Express gratitude using a gratitude pebble and write the things you are grateful for!

Do not miss out connecting with your near & dear ones during the lockdown.

Use these apps to say "hi" to your family and friends

Zoom

Google Duo

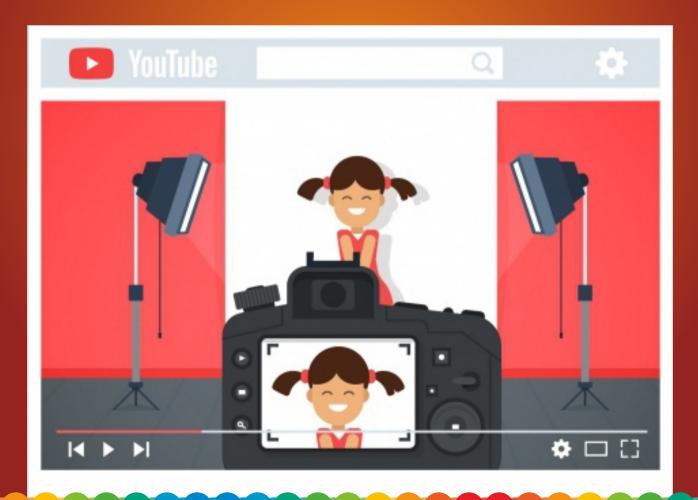

Webex

Start your child's very own YOUTUBE channel!

How about exploring your creative streak? Try writing a blog! Share your wonderful thoughts with us.

Build a tower of wishes with playing cards.

What is the 1st thing you wish to do after the lockdown is over?
