# Activity Book

For age group 2 years to 8 years

# Activity Book

This activity book is a complete package that will help your child recap concepts like:

1

Learning colours through matching, colouring and recognition activities

2

Understanding the alphabet through fill in the blanks, re-arranging spellings, jumbled words etc

3

Knowing numbers through missing number activities, dominoes, match the following, counting, sequencing etc

4

Activities to boost your child's thinking skills like find your way through the maze, find the differences, join the dots, shadow matching, labeling etc

5

Fun board games, crosswords etc

Each section is well designed keeping the age appropriateness as well as complexities in mind. This book will help your child's fine motor development and also help boost his/her logical and analytical thinking. Go ahead and meaningfully engage your little star with the multitude activities herein!

*Happy Parenting!*
